## Christmas Gift Opportunities List

*ACTION Cambodia exists to glorify God by working alongside the local church in ministry and purpose. People are very open to the Gospel at this time of the year and we wanted to bring to your attention some ways in which you can be a special part of the ongoing ministry to the Cambodian people. The following are investment opportunities with ACTION Cambodia for the Gospel and its visible expression of mercy...*

- 1. Adopt a Pastor/Church** – Cambodian Christians desire to reach their own people with the gospel. We have a great opportunity to support them in their initial training and commission to plant new churches. We are currently praying towards planting two new churches each year. Would you consider supporting a local Khmer pastor/church planter?

*Total Support needed: \$200 per month/per pastor*  
Account Number 79036

- 2. Andong Feeding Ministry** – Action Cambodia partners with Andong Community Church to feed approximately 300 students each day. Andong is home to 2000 families who were relocated from the city center of Phnom Penh by the government of Cambodia. We have prayerfully committed to provide a nutritious meal each day for the students.

*Total support needed: \$900 per month (\$3 per student/per month)*  
Account Number: 79030

- 3. Mordecai's Courage Orphanage** – The Lopez family has taken in five Cambodian teenagers and are raising them as their own. They are home schooling and rearing them in a God centered home where the love of Christ is being demonstrated to them daily. The purpose is for God's glory and the prayer is that these young people will become a light to the next generation of Khmer.

*Additional support needed: \$1000 per month*  
Account Number: 79052

- 4. Pastoral Resource Development** – The pastors of Cambodia are in desperate need of solid resources for their congregation and for their personal use. We've translated Dr. John Piper's book, *Fifty Reasons Why Jesus Came to Die* and we would like to put a copy in the hands of every pastor in Cambodia!

*Total cost is \$8,000 (2000 copies x \$4 each)*  
Account Number 79080

**5. Orphan Education Fund** – There are 10,000 orphans in Cambodia! You can participate in helping to give some of them the **best private Christian education and training possible** in Cambodia by becoming their sponsor. You'll be able to track the student and pray together as God equips them as a disciple of Jesus, with the hope that they will be used mightily by God in this nation.

Total Support Needed: \$3000 per year/per student  
Account Number 79047

**6. Computers for Translation Work** – Computers are an essential part of translation work in this day and age. We need an additional four computers to further aid us in our various translation projects. Would you consider meeting this need and participate with us in the work of translating biblical resources for the Cambodian Church?
